

Ripley Town Council

June 2022

Welcome to the June 2022 edition of the Ripley Town Council newsletter. We aim to make Ripley a better place. We will try and help all those who need it, by building and strengthening relationships with individuals, groups and communities. We aim to create a more secure and inclusive Ripley by helping individuals, families and communities to thrive. We will work towards a more fairly shared society seeking to strengthen opportunities for all in education, health, housing, employment, transport, leisure and culture.

New Mayor for the Ripley Township

Deputy Mayor, Councillor Paul Lobley and Mayor of Ripley, Councillor Nigel Weaving

At the May Annual Meeting of Ripley Town Council, a new Mayor was elected for the ensuing year.

Councillor Nigel Weaving was unanimously voted in by his peers to become Mayor of the Ripley Township until May 2023.

The new Deputy Mayor is Councillor Paul Lobley.

Councillor Weaving lives in Ambergate with his wife, Phyllis who will be his Consort.

As a stroke survivor, Councillor Weaving has chosen to support Amber Valley Stroke Club and Derbyshire Air Ambulance with his fundraising efforts over the next year.

He retired from the laboratory service of the NHS in 2010 and moved to Ambergate in 2012.

Growing up in Sheffield, Derbyshire was his playground and he and Phyllis brought their children here as much as possible. They have three adult children and five grandchildren.

Councillor Weaving wanted to be a councillor to help the community and maintain quality of life for local people. He is a diligent litter picker in the Ripley Township and reports any problems encountered to the relevant authorities. Councillor Weaving is a Trustee of the Heage Windmill Society and a Treasurer of the Bullbridge and Sawmills Area Civic Society.

If you would like the Mayor to attend an event you are organising, please contact us using the details on the back page.

Welcome to Sawmills

We invite you to read on and find out more about the history of this area.

Ordnance Survey 1835

The village is named after the sawmills used for cutting marble that were near the canal and river. The marble cut at the site originated from Hopton Wood Quarry, probably brought to the sawmill by horse drawn wagon. The stone was used for facing fine houses around Britain after travelling down the canals to the River Trent.

Ambergate and Sawmills were formerly part of the parish of Heage. A mission was set up in 1887 and a church built in 1890-1891.

It was intended that this should be a chapel of ease to Heage, however Ambergate parish and Sawmills became a separate ecclesiastical parish, and the mission church of Sawmills St Mary was started in 1903.

St Mary's Mission Church, Sawmills

The village grew mainly because it was next to Cromford Canal and the Cromford to Langley Mill Turnpike Road. There was an aqueduct built for the canal to cross the river and road, but when the railway was built the problem of crossing the canal was solved by the building of an iron trough, 150 feet long that was floated into place overnight so as to not impede canal traffic. The railway was driven through the bank beneath the trough and the stone bridge built over the railway line. The aqueduct carrying the canal over the road was demolished in 1968 to widen the A610.

Bull Bridge aqueduct carrying the canal, demolished in 1968 © picturethepast.org.uk

There were two brickyards in Sawmills. One was where Lockwoods Haulage is now although it was linked to the brickyard that was at Buckland Hollow. It was known as the Ambergate Brick and Tile Company, probably starting around 1876. It became Bull Bridge Brick Company in 1889. After the 1920s it was owned by Midland Refractories, producing bricks and refractory products. It closed in 1981.

Ambergate Brick and Tile Company tile, probably made around 1880 © D Hirst

The only remains of the sawmill are four old cottages. Now two houses near the four arch bridge into the old brickworks. The rest were demolished to make way for the Belper to Pye Bridge railway line in 1875.

There was also a brickyard at what is now known as Riversdale. This was owned by Edwin Glossop, probably starting in 1917. Butterley Brick Co. bought the works in 1947, and it finally closed in 1970, becoming a tip. Bricks from this works were used to build the houses in Riversdale and also used in the building of the new Roman Catholic Cathedral in Liverpool.

A focus on the history of Sawmills

We are featuring each of the new information boards which have been installed throughout the Ripley Township. Here's the next one in the series about Sawmills. It is also available to read on the Ripley Town Council website.

Greenwich: Making good a transfer deficit

Since the change in ownership of Greenwich Park from Amber Valley Borough Council to Ripley Town Council, the newly appointed Custodian Trustees of the "Ripley Recreation Ground Charity" have been hard at work.

Unfortunately, Amber Valley Borough Council made a late decision not to carry on funding the grass-cutting for a 3-year period; this was despite having promised to do so and the late decision meant replacement services had to be found quickly. However, following discussions with the Greenwich Park Sports Partnership about the specification of works, and after a tendering exercise, a replacement contractor has been appointed and they are doing a good job.

Greenwich Park, home of Butterley United Cricket Club
and Ripley Town Football Club

The Custodian Trustees also commissioned a suspended ceiling in the main community room which has greatly improved the acoustics of the space. This has now been installed. Other works are being planned, including fitting a (push-button) automatic door-opener for the main doors for improved disabled access and installing temporary storage containers for both the cricket and football clubs.

We are also going to enhance the environmental impact of the building by ensuring the solar panels are working effectively. In addition, there are some drainage issues on the main football pitch which also need to be resolved and every effort will be made to do this.

Ripley Spring Market and Wool Bombing 2022

The sun shone on Ripley Market Place for the Spring Market event and Wool Bombing launch on Sunday 15th May 2022. The previous Mayor of Ripley, Councillor Roland Emmas-Williams, opened the market and welcomed stall holders, entertainers and the community for the first Spring Market we have held since 2019. Ripley Market Place was filled with beautiful bubbles from the Big Bubble Man and music from Amber Sound FM. Thank you to everyone who came along to support this event, especially the amazing dancers from Ripley Academy of Dance on Cromford Road in the town who performed for the large crowd.

Butterley Ward is back!

Butterley Ward has now moved back to Ripley Hospital from its temporary base at Ilkeston Community Hospital. The ward was temporarily relocated last autumn as part of measures agreed by the local NHS system, Joined Up Care Derbyshire (JUCD), to help manage extreme pressures on NHS services and health service staffing across Derbyshire in the winter months.

Now Derbyshire Community Health Services NHS Foundation Trust, which runs Ripley Hospital, has confirmed that the ward returned to Ripley Hospital on Thursday 28 April. It honours a commitment made at the time of the temporary relocation to bring the ward back on site when pressures on healthcare and on NHS staffing allowed. JUCD has approved the move as part of the wider healthcare system plan going into the spring and summer.

In March this year, health bosses at Derbyshire Community Health Services NHS Foundation Trust said the ward would be moving back in the final week of April, and this has now taken place.

New Clerk at Ripley Town Council

After 13 years of working as Town Clerk for Ripley Town Council, Linda McCormick has retired.

Cllr Steve Freeborn said, 'On behalf of Ripley Town Council, I would like to pass my sincere gratitude to Linda for her commitment to the Council over the past 13 years. She has always done the best for the residents of the Ripley Township and the Council. We send her best wishes for a relaxing and happy retirement'.

Linda has now passed the keys of the Ripley Town Council office on Grosvenor Road in the town to our new Town Clerk, Jayne Simpson who will work alongside our Deputy Clerk, Hannah Curzon.

Jayne comes to us with many years experience and is the past winner of the Derbyshire Association of Local Councils' Clerk of the Year award.

We welcome Jayne to the town and to her new position.

Jayne Simpson (left) being handed the keys from former Town Clerk, Linda McCormick

Butterley Ironworks Heritage Hopes

By Steve Freeborn (Councillor for Butterley Ward, Chair
of Butterley Ironworks Trust)

Butterley Ironworks Trust (BIT) has raised the funds it needs to prepare a strategic report describing how a financially self-sustaining future for the heritage features of the former Butterley Works site can be delivered. BIT has been awarded a grant of £10,000 from the Heritage Lottery Fund (HLF) which has been matched by Ripley Town Council. A similar amount has been raised by BIT itself and the tendering processes for the appointment of specialist consultants are underway.

The consultants will help BIT complete a professionally costed Report that sets out a range of options for the future conservation of the heritage, including the creation of a visitor centre in one of the existing buildings that remain on site. This is the preferred option and BIT needs to describe an 'experience' that will attract visitors.

Of course, the Butterley site was at the very heart of the Industrial Revolution, being a trail-blazer and pioneer of engineering manufacturing processes. BIT proposes to tell the story of Butterley's impact on

Former Butterley Ironworks site in Ripley

engineering and manufacturing development, and the impact of the huge socio-economic changes that took place.

The fully costed report will be prepared over the summer and autumn months and shall be submitted to the HLF when complete. BIT hopes its proposals will be supported by the HLF!

In the meantime, you can keep fully updated about Butterley Ironworks Trust by looking us up on Facebook.

MEETING DATES

RIPLEY TOWN COUNCIL

Our meetings are conducted in the Council Chamber in Ripley Town Hall. You are welcome to join the meeting to hear our council discuss local matters or if you would like to bring something to our attention, you can have the opportunity to speak in the meeting.

Tuesday 21st June 2022 at 7pm

Tuesday 19th July 2022 at 7pm

Tuesday 20th September 2022 at 7pm

Tuesday 11th October 2022 at 7pm

Tuesday 15th November 2022 at 7pm

Certificate of Merit Award 2022

Do you know someone in the Ripley Township* who is deserving of recognition for their voluntary work within our local community? If so, we want to hear about them!

Maybe they've helped someone in need, have a passion for our local environment or community, raised money for charity or organised activities to benefit local people or causes?

The nominee must live or be involved in groups within the Ripley Township*. No sitting Councillor may nominate or be nominated.

Deadline for applications: 1st September 2022

*Ripley, Waingroves, Marehay, Ambergate, Nether Heage, Heage, Bullbridge, Sawmills, Street Lane or Lower or Upper Hartshay
